

UU Church of Waterville Covid-19 Advisory Group
Recommendations for In-person Attendance at Sunday Services

Effective 5/1/2022

Following guidance from the CDC, EPA, and UUA, the Covid-19 Advisory Group recommended, and the Board approved the following strategies to reduce the risk of Covid-19 transmission while at church, as much as possible.

Consistent with our UU Principle #1, “The inherent worth and dignity of every person” ...

- All members and friends are strongly urged to get **vaccinated and boosted.**
- **Masking is required.** N-95 and KN-95 masks will be available at the entrance. If you arrive with a cloth mask, please place a surgical mask (also available) over it.
- Out of respect for others, please **keep at least 3 feet distant** from non-household members, or people not in your “bubble” or “pod.”
- Please **dress warmly** for Sunday services – **doors and windows will be open for ventilation** as weather permits.
- **Singing is permitted with masks** still on.
- For now, there will be **no coffee hour in Averill Parlors**, but it is hoped we can soon have coffee/tea available at the picnic table on the Point.
